3S Money helps corporate clients accept and manage bank transfers in 190+ countries

Business accounts for global corporates

3S Money brings corporate clients closer to their customers. We offer a Global Collection Account to send and receive funds in multiple currencies.

- Directors and shareholders accepted from 190+ countries
- Designed for established international businesses who have outgrown Transferwise
- Instant payments in UK and Asia, near real-time European payments and same-day international payments
- Collect and payout without currency conversions
- Support from a dedicated client manager who understands your business

How 3S Money works

We work with you to create the best solution for your business:

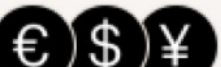

- Set up a Global Collection Account to receive high-value payments from emerging markets including China, Russia and Turkey
- Select your preferred local European IBANs: NL, LU, DE, DK, GB
- Use a USD Account addressed in your company name if you need to
- Benefit from a selection of currencies including RUB, CNY, AED, live FX desk and forward contracts

“From my experience, 3S Money is the best FinTech. It’s a pleasure to work with a bank institution focused on client’s needs and ready to help 24/7.” – Dmitry
